

Sustainable Development Goals

The United Nations Sustainable Development Goals (SDGs) are a framework for business and government to solve global economic, social and environmental challenges.

At Air New Zealand our Sustainability Framework is shaped by our business priorities, and we use the SDGs to address the issues we have the greatest ability to positively impact. We are focussed on the following nine goals that most closely align to our strategy and key strengths.

UNSDG'S	Sustainable Development Goal	Sustainability Framework area and programmes/activities
	SDG 3 Ensure healthy lives and promote well-being for all at all ages	Air New Zealanders: People safety & wellbeing
	SDG 5 Achieve gender equality and empower all women and girls	Air New Zealanders: Diversity & inclusion
	SDG 7 Ensure access to affordable, reliable, sustainable and modern energy for all	Carbon: Pursue opportunities for aviation biofuel solution, Electric vehicle transition
