Our targets

Air New Zealand's employee engagement score being in Glint's Global Top Engagement Index¹.

Grow access to and use of employee assistance support tools (including Employee Assistance Programme, Peer Support Network and Bullying and Harassment Contacts).

Double our spend with Māori and Pasifika-owned businesses and social enterprises to \$24 million, and double our diverse sourcing relationships to at least 50 suppliers by the end of 2024.

Better connecting Aotearoa New Zealand exporters to the world by increasing cargo load factors on our widebody international network to 85%² by 2025 (from 67% in 2019).

1. Glint's Global Top Engagement Index is based on employee survey results across more than 750 companies surveyed around the globe and 175 million data points.
2. Based on the volumetric utilisation of available belly capacity (including passenger bags) unless a 100% gross weight load factor is achieved sooner.

Set a science-based carbon reduction target.

Net zero emissions by 2050.

10% of Air New Zealand's total fuel uplift is SAF by 2030.

Removal of 50% of single-use plastic items on our international flights by 2023 from a 2021 baseline. This amounts to the removal of over 28 million forecasted single-use plastic items.

65% of total solid waste diverted from landfill by 2023³.

3. This target covers Air New Zealand's domestic ground sites and airports serviced by our main waste provider. It excludes hazardous waste.

Increase annual growth in bookings for Qualmark-awarded operators on Air New Zealand's website by 100% by 2023 from a 2021 baseline.

60% of New Zealanders aware of Tiaki Promise by calendar year 2023⁴.

4. As measured by Air New Zealand's Market Monitor that surveys 400-500 Aotearoa travellers each month.
